# Employment History

## Sales Executive

### Country Hill International LLC

Sep 2023 - May 2026

*Dubai, UAE*

- Expertly managed a portfolio of premium international food products, specializing in high-end meats and exclusive international selections.
- Developed and maintained strategic partnerships with top-tier hospitality groups and Michelin-starred establishments in Dubai, driving a 30% increase in market share.
- Orchestrated complex logistics and supply chain operations for temperature-sensitive luxury goods, ensuring 100% quality compliance and operational excellence.
- Strategically planned and executed private events and corporate showcases, leveraging product expertise to secure long-term high-

value contracts.

- Achieved consistent upsell success of premium menu items and exclusive international selections, boosting average transaction value through consultative sales.

## Logistics Manager

### Ferrari Logistics FZE

Mar 2017 - Jun 2023

*Dubai, UAE*

- Streamlined supply chain operations by designing and implementing innovative product storage and flow strategies, significantly reducing delays and enhancing fulfillment efficiency.
- Led daily logistics operations, including scheduling, coordination of shipments, and transportation management, achieving peak efficiency and productivity.
- Enhanced fleet dispatch capabilities through strategic initiatives, optimizing route planning and improving driver-dispatcher communication, leading to measurable operational gains.
- Championed a culture of safety and compliance, meticulously reviewing safety procedures, conducting audits, and ensuring strict adherence to local and federal regulations.

## Reception Manager

### Hamilton Hall - JD Wetherspoon

Sep 2015 - Aug 2016

*London, UK*

- Managed high-volume reception operations, providing exceptional first impressions and administrative support.
- Expertly managed company diaries, optimizing scheduling for bookings, events, and reservations while efficiently handling cancellations.
- Provided superior customer service by promptly addressing phone calls, business emails, inquiries, and complaints, resolving issues with professionalism and efficiency.
- Developed strong communication and adaptability skills in a fast-paced, international environment, demonstrating self-sufficiency and resourcefulness.
